Who sexually harassed you?
Title of person who harassed you:
When did the harassment occur?

In what way were you sexually harassed? Describe in detail verbal comments, physical acts, sexual overtures/suggestions, pin-ups, magazine articles, etc.

Did you object to what was said or done?

What did you do or say?

Did you report this to anyone? _____ Manager or co-workers, spouse?

If you reported this to management, what, if any, action was taken and what were you told?

Were there witnesses to the sexual harassment? _____. If so, who?
Identify fully:

Since your reporting and/or objecting to the sexual harassment, has your work environment changed? (Has there been a change in treatment from managers or co-workers?) Describe what has happened, when and by whom:

If something happened to you, describe how you were treated differently than your co-workers. Identify those co-workers who received better treatment, the same treatment, worse treatment.

If there was a change, do you feel the change occurred because of your objecting to and/or opposing the sexual harassment?

Do you know of any others who have been sexually harassed while employed? _____. If so, identify them fully and include whether they are still employed, if they quit or if they were fired, demoted, etc. Indicate what happened to each of them and how they can be contacted.
